By Paul Lyalls.

Well done to all the Dodgeball team and particularly Rameen Bakhit.

Science Challenge

Scientists of the week are Miss De Piano's class and Amina Ali.

Science question for next week:

How is snow formed?

Compassion

Our school value for this half term is 'Compassion'. Our quote for this half term is *"No act of kindness, no matter how small, is ever wasted."* (Aesop) It would really help if you could follow this up with your children at home and talk to them about what compassion means.

Strive for Five

Please encourage your children to read five times a week and either you or they must sign their reading record to show they have read. Any child with five signatures will be entered into a raffle each week.

Assessment Week

Well done to all of our children who have taken part in Assessment week this week. Everyone has tried their best.

Cake Sale

Well done to everyone, we raised over £130 pounds for a new rabbit run.

Class Assemblies

Well done to Mr Bethell's class. Next week is the turn of Mrs Davidson's class.

PE Kit

ALL children must have outdoor kit (blue leggings / blue sweatshirt) which can be purchased from 'mum's the word'; the order form is on the school website. If you have bought black tracksuits already that is fine for the moment. Other colours are not acceptable.

Cathedral Choir

We had a wonderful time at the Cathedral on Monday with 32 children joining our choir. Thankyou to all of our parents who allowed their children to attend and who also came along to support their children and take part in the service. A HUGE thankyou to Mehak and Maleeha's parents who donated the use of two of their minibuses (DISCO taxis , 07999624788) and kindly transported some our children to and from the event. We are very grateful.
