Service

Our school value for this half term is 'Service'. Our quote for this half term is **"Service one and other in love."** Galatians 5:13. It would really help if you could follow this up with your children at home and talk to them about what service means.

Reading Race

Well done to classes 5LD and 2LK who won the reading race last half term. They celebrated by visiting Audley Centre for an afternoon of eventful activities and games. Well done. Let's keep reading!

Reading

We are now asking for all children's reading books to be brought into school every day. Children will still read to the teacher on their designated day. This will allow us to read more regularly with the children and reinforces the importance of reading. We hold a weekly competition.

WANTED: Comics and Magazines

We are looking to expand our range of reading material at school and we need some help! If you have any comics or age-appropriate magazines, please could you bring them into school for other children to enjoy once you have finished them. They need to still be in a good condition. Please bring any that you have into school and drop them off at front office. Thanks for your continued support.

Koboca - Sports Questionnaire

As a school, we want to meet the needs of our pupils and provide the activities they request. We are asking parents to complete an online questionnaire with your child to provide school with more information. Once all results have been collected, it will allow us to move forward together in providing types of activities children would like to be involved within. For more information, please visit:
