

## Reading Recovery

Reading Recovery is an accredited school-based literacy programme for the lowest achieving children aged five or six that enables them to reach age-expected levels within 20 weeks.

It involves a short series of one-to-one lessons for 30 minutes every day with a specially trained teacher. The programme is different for every child, starting from what the child knows and what he/she needs to learn next. The focus of each lesson is to comprehend messages in reading and construct messages in writing, learning how to attend to detail without losing focus on meaning.
