

St Thomas CEP

Proposed spend of Sports Premium 2015 – 2016

In April 2013, the Government announced new funding of £150 million for Physical Education (PE) and Sport. The funding should be used to improve the quality and breadth of PE and sport provision. It is being provided jointly by the Departments of Education, Health and Culture, Media and Sport. Funding will be allocated to all maintained and state-funded schools with primary phase pupils. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

At St. Thomas' we have received £9806 in April 2015. The next page sets out how we have spent some of the premium money and our plans for future spending in 2015 – 2016.
