

## Red Rose Mastery Maths Scheme: Year 5 Yearly Overview

|               | Autumn 1                        | Autumn 2                           | Spring 1                                     | Spring 2                                        | Summer 1                           | Summer 2               |
|---------------|---------------------------------|------------------------------------|----------------------------------------------|-------------------------------------------------|------------------------------------|------------------------|
| <b>Week 1</b> | Unit 1 Place Value              | Unit 6 Multiplication and Division | Unit 10 Place Value and Negative Numbers     | Unit 15 Fractions                               | Unit 20 Place Value                | Unit 25 Division       |
| <b>Week 2</b> |                                 |                                    | Unit 11 Addition and Subtraction             |                                                 |                                    | Unit 26 Fractions      |
|               |                                 |                                    |                                              | Unit 16 Geometry (Shape)                        |                                    |                        |
| <b>Week 3</b> | Unit 2 Addition and Subtraction | Unit 7 Fractions                   | Unit 12 Multiplication                       | Unit 17 Measurement (Volume)                    | Unit 21 Measurement and Statistics | Unit 27 Percentages    |
|               |                                 |                                    |                                              |                                                 |                                    |                        |
| <b>Week 4</b> |                                 | Unit 8 Multiplication and Area     | Unit 13 Measures (Length, Mass and Capacity) | Unit 18 Statistics                              | Unit 22 Geometry                   | Unit 28 Statistics     |
| <b>Week 5</b> | Unit 3 Statistics               |                                    | Unit 14 Geometry                             | Unit 19 Problem Solving including Bar Modelling | Unit 23 Addition and Subtraction   | Unit 29 Measurement    |
|               | Unit 4 Geometry (Angles)        | Unit 9 Time                        |                                              |                                                 |                                    |                        |
| <b>Week 6</b> | Unit 5 Geometry and Measures    | Assess and review week             |                                              | Assess and review week                          | Unit 24 Multiplication             | Assess and review week |
